eplacement Depot, Dumm, P. I. Color being daily swim as a said on 17 September 1915 , 1945, testified as follows: C. Its climate state de 22 Q. Here you captured by the Japanese and make a prisoner of mar? If so, when and where? A. Tee. May 6 1942. Corregidor. Q. At the time of your aspture of what unit were you a member? A. Oth Marine Regiment. 5. By what Tapanese unit were you contured? A. Ton Land. Q. Do you expect to be repatriated, and if so, to what country? A. Tes. Tofted States. Q. That will your complete sairess be after your repatriation? Q. Will you state the mames and locations of the camps at which you were held as a prisoner of war and the inter you were confined at \$2:1 Carr Communa Tates 4. Tericus, Inton. P. I Tarious, Luzon, P I. Nay 1942-Ang 1942 Courts, Caro 617 Courte, Trusha, Japan Aug 1912-Sept 1915

G. Do you know, or have you reason to believe, that the Imperial Capamass _____ failed to treat prisoners of war with humanity or therwise committed atrocities and wer crimes against them!

A. Tes.

- A. Will you shake all facts in detail partaining to attractions, and arrive and business described at a color, who lates of land. To be a lates that the lates are the lates and the lates are the lat
- A. C. James Permission, was started to death on Jecomber, 1924. To finet got into trouble with her officers as then with American officers. He was a blaff, outspoken mer. On one occasion he was tald to be be his undershirt off by it times (News), as America, officer while gains to be exemined in sick buy. To mas finally 'orest to bebe it off by butte force. Another occasion be me jut to queriers by the American Jostor, Capt. Dan Housett, Army. Lt. Little ball him that be couldn't est while he was on quarters. He took his rice entroly and was turned over to the Jap authorities. We was given it hape an rice and mater in solitary. On the next occesion be obtained two bowle of rice from a Jap guard, and sold it to a fellow prisoners for ten per. In Little beret about it and humod levelable over to the Jap authorities again. He may places in sulitary again on rice and water. This lasted thirty lays. The next eight days his ration of mater was taken away. His rice rotion consisted of one-quarter conteen out per iny. To lied on the Stat lay of his solitary and was cremited in the town nearly. I spoke to him when he was in there about three times. The last time was on his 25th day of confinement, Se was protty well gone by them. He had to bold on to the well to get to me, where I was standing by an open space. It is my opinion that Lie Little was responsible for this man's leath. Marine Set. Joe Dalley asked in little shy he had turned forelake cray to the lays and It. Little said if he had to do it over stain to would. It. Little was a degenering officer in Chaite before the our. The Jep commender of the cum at this time a first lieuterant, Dri. 5 feet 10 inches thin religied about 150 pounds, very military bearing.
- S. Talter Johnson, NGC, Arm enlisted and about December 1944 was south
- h. Shight, an army shisted man, was accused of standing 12 rice and flour buns from mess ball, about March 1040 by it. Little of the Navy. He was turned over to the Log by Lt. Little. Weight was its very noor condition from melautrition. The quark best the for about 12 pages and kept him on display at the gate of the compount. To died on the 17th day. All guards in the compount heat the mischer. Suards on the 17th day. All guards in the compount heat the mischer. Suards coming off duty best him and guards coming on Juty sculd best him. They used a baseball but to best him. It. Little make a public admouncement in front of comp that he had turned Maight over to the Japa as a threat to the rest of the compound. This it. Little even used Japanese common to the rest of the compound. This it. Little even used Japanese commons in addressing American prisoners in the compound. (All todies
