The Commanding General

S i r :

You will find enclosed records of the 14th Infantry under my command which were recently found. It is noteworthy to state herein that among the records are orders from higher headquarters for tactical disbandment in May 1942.

It has come to the attention of the undersigned that of lately, many of his men were turned down on account of the fact that mention was made in their processing papers of the disbandment of my company in May 1942. To avoid misunderstanding in future, I have made it a point to send you these records for your reference.

I hope that the enclosed records will help that office in the adjudication of claims of my men for recognition of their AUS status.

Sincerely,

*Alfonso Bagunu*
