Text of Year-End Message from the I.R.C.
Geneva To Prisoners of War and Civil
Internees

"Once more you are passing the festive season far away from your homes. The Int - R - C Committee addresses the following message to Prisoners of War and Civil Internees of all nations and asks all Camp Leaders to post the text in their respective camps."

To you Prisoners, disseminated in a word of war, the Int - R - C - Committee brings an affectionate message of comfort on this last day of 1944. It does not ignore your grief and your anxieties. It also knows how increasingly painful the separation is the longer the days of your captivity drag on. It is with this knowledge at heart that the Int - R - C Committee and its 3000 collaborators in Switzerland are doing everything in their power to bring you help & relief. To all of you and to all those who are dear to you they send their sincerest wishes."
