EXPLANATION

The following lists of names of prisoners of war and deceased prisoners of war were removed from Japanese records at the Headquarters Camp at OMORI, Japan, the latter part of August 1945.

Cmdr. A. L. MAHER, USN, senior officer at OMORI, directed Cpl. Albert P. RICKERT, USMC, 1st Defense Bn., Wake Island, to retrieve the lists when the camp was vacated. Cpl. RICKERT delivered the documents to CINCPAC-CINCPOA (JICPOA) when he arrived by NATS on 9 September.

The lists include those POW assigned to camps in the OMORI area. They do not include the POW who passed through this area en route to other areas.

Sheet No. 12 of the list of dead is missing. No explanation is available to explain whether it was lost or whether a mistake was made in numbering.
